PERSONAL INFORMATION

Marital status: Married with two children
Nationality: Greek

EDUCATION

1991: Bachelor in Geology, Faculty of Geology, National & Kapodistrian Univ. of Athens (N.K.U.A.), Greece
1998: MSc in Geography & Environment, Faculty of Geology, N.K.U.A., Greece
2002: PhD in Urban Geology & Geomorphology, Faculty of Geology, N.K.U.A., Greece
2014: MSc in Geological and Atmospheric Environment for Infrastructure Design, Department of Natural Resources & Agricultural Engineering, Agricultural University of Athens, Greece

WORK EXPERIENCE

1997-2002: Employee of a certain time in National & Kapodistrian University of Athens (N.K.U.A.)
2002-2014: Employee Indefinitely in N.K.U.A.
2011-2012: Under Appointed Lecturer Faculty of Geology & Geoenvironment, N.K.U.A.
2014-2021: Laboratory Teaching Staff & Researcher of "Geomorphology and GIS", Department of Geography & Climatology, Faculty of Geology & Geoenvironment, N.K.U.A.
2021 until now: Laboratory Teaching Staff & Researcher of "Geomorphology and GIS", Department of Geology, University of Patras

MAIN RESEARCH TOPICS

- Geographic Information System
- Geomorphology
- Environmental Geology
- Surveying, Mapping
